General Services Administration

General Services Administration

The General Services Administration (GSA) helps manage and support the basic functioning of federal agencies. The GSA supplies products and communications for U.S. government offices, provides transportation and office space to federal employees, and develops government-wide cost-minimizing policies, and other management tasks.

Common requests

- Government-wide procurement data
- FY2014 Federal employee travel
- Lorem ipsum dolor sit amet, consectetur adipiscing elit. Donec erat elit.
- Ornare ut risus ut, dignissim malesuada dui. Nulla interdum porta odio.
